

## **IMMUNIZATION REQUIREMENTS**

To register a child for school, parents must present the child's written immunization record from a physician, nurse, or health department. Prior to school entry, children must be immunized for:

- Polio
- Diphtheria, Tetanus, and Pertussis
- Measles, Mumps, Rubella (MMR)
- Hepatitis B
- Varicella
- TB required for in-coming T-K, Kindergarten and 7th grade students
- Tdap (Whooping Cough Booster) required for 7th grade students
