2021-22 School Overview

Students who attend Bear River School receive an exemplary education and an opportunity to expand academically. In addition to providing excellent core classes (language arts, math, science, and history), we offer a choice of electives. Our electives include choit, band, technology, computer animation, BRTV, art, video editing, PE games, ag projects (shop), horticulture, yearbook, leadership, STEM and Renaissance. We have many after school activities, including an excellent sports program and an award winning FFA program. Students have the opportunity to expand personal skills through our Leadership classes. Leadership students are given opportunities to be mentors, school officers, program activity directors, peer mediators, and much more. Bear River has been working with Wheatland High School to create CTE pathways for our students. These pathways allow students to accelerate their academics. Our student achievement scores have a history of being the highest in the local area, and were over 800 prior to the states change in assessment systems. As a result of the school's outstanding academics and programs, Bear River was recognized multiple times with the Title 1 Academic Achievement Award, California Distinguished School Award and the California State Golden Ribbon Award.

The school is sixteen years old, and we are very fortunate to have a beautiful facility. We have a full-size gymnasium, which includes a weight room. The gym is wired with a large video screen and a complete audio-visual system. On the blacktop the students have access to eight full-court basketball courts, two wall ball courts, three tetherball courts, four square areas, and a grass football/soccer field.

One of our strongest assets is our student motivation and rewards program called Renaissance. We recognize our students for their efforts as well as their achievement by giving rewards at break, at lunch, and at our trimester Renaissance Rallies. Another wonderful component of our school is the Family Resource Center (FRC), which provides assistance and resources for families. The FRC is also a haven at lunch time, break, and after school for students. The FRC facilitates case management for students, including connecting families to county resources and acting as a liaison between parents and school. The FRC monitors grades, behavior, and attendance for at-risk students. It also provides supervision of recreational activities. All four of Wheatland School District schools offer an ASES after school program. WSD's After School C.A.R.E. (Clubs, Academics, Recreation and Enrichment) Programs start on the first day of school and end on the last day of school, open Monday through Friday from the end of the school day until 6:00 PM. C.A.R.E. is open on minimum days at the early dismissal time and is closed on school holidays. After School C.A.R.E. offers cycles of academic (e.g. homework, remedial, and GATE-like classes) and enrichment (e.g. theme-based arts and crafts, STEM, and physical education activities) components. Students enrolled in the district and who are entering grades Transitional Kindergarten through 8 in the fall are eligible to participate. Furthermore,

2021-22 School Overview

the After School Program sponsors a highly recognized Camp program (a full day program of at least 6 hrs), offering the only intercession and/or summer activity option for most district children.

At Bear River School we strive to make all students feel welcome through our Peer Leaders Uniting Students (PLUS) program. The mission of PLUS is to serve as a means for students to develop an understanding of who they are, rather than what they are. It is a platform for students to express their individuality, while identifying similarities with those around them. The overall purpose of PLUS is to stimulate conversations between students who have never spoken together before. Students who engage in PLUS activities will develop a sense of belonging. PLUS empowers students to lead, educate, influence, and support their peers. It also provides an ongoing plan that enables our school to address all issues that affect students' learning environment. Our wonderful students, families, dedicated teaching team and support staff make Bear River School a fabulous place to work and learn.

A. Conditions of Learning

State Priority: Basic

•

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
 - Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <u>https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp</u>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Bear River School is fifteen years old. It is an immaculate campus. The campus has a wide-open feel but is equipped with appropriate lighting and has security cameras in strategic areas to promote safety. Bear River has site-established cleaning standards and four full-time custodians. The campus is always well maintained and classrooms and bathrooms are cleaned daily. Only minor repairs to the carpet and weather stripping in some of our classrooms are necessary due to usual wear and tear. There is adequate room for all students in classrooms, on the playground, and in the eating areas. We have a fully functioning kitchen and multipurpose room with plenty of tables and room to sit. We also have an outstanding full-size gymnasium that is used for school sports programs and for community events. There is room behind our campus for future expansion of our school or for sports fields and other extracurricular activities. Several years ago, the school added solar parking structures to move to a more green approach to maintaining our planet and its resources. This parking structure helps to reduce the buildings dependence on fossil fuels and educate students on conservation efforts for our planet.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
 - Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

| Subject | School 2019-20 | School 2020-21 | District 2019-20 | District 2020-21 | State 2019-20 | State 2020-21 |

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

2020-21 Local Assessment Test Results in ELA by Student Group

This table displays Local Assessment test results in ELA by student group for students grades three through eight and grade eleven. LEAs/schools will populate this table for schools in cases where the school administered a local assessment. In cases where the school administered the CAASPP assessment, LEAs/schools will populate this table with "N/A" values in all cells, meaning this table is Not Applicable for this school.

*At or above the grade-level standard in the context of the local assessment administered.

2020-21 Local Assessment Test Results in Math by Student Group

This table displays Local Assessment test results in Math by student group for students grades three through eight and grade eleven. LEAs/schools will populate this table for schools in cases where the school administered a local assessment. In cases where the school administered the CAASPP assessment, LEAs/schools will populate this table with "N/A" values in all cells, meaning this table is Not Applicable for this school.

*At or above the grade-level standard in the context of the local assessment administered.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

| Grade Level | Percentage of Students Meeting Four of Six Fitness Standards | | Percentage of Students Meeting Six of Six Fitness Standards |

| Grade 5 | N/A | N/A | N/A |
| Grade 7 | N/A | N/A | N/A |
| Grade 9 | N/A | N/A | N/A |

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Our school's annual site plan and school site budget approvals are made by our School Site Council. The Site Council is comprised of parent members, certificated staff, classified staff, student body representatives, and site administration. We have a District English Language Advisory Committee to help students and their families who are learning English feel welcome at our school. At Back-to-School Night parents can sign up to volunteer in their areas of interest at our school; the sign-up form is also available online. After collecting data at these events, the office gives teachers the list of parents who are interested in volunteering in their classroom or for particular events. The school recognizes volunteers at trimester rallies for their service and donations. Please contact the office if you would like to volunteer, (530) 633-3135.

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

| Subject | School 2018-19 | School 2020-21 | District 2018-19 | District 2020-21 | State 2018-19 | State 2020-21 |
|-------------|-------------------|-------------------|---------------------|---------------------|------------------|------------------|
| Suspensions | 5.37 | 0.17 | 2.92 | 0.07 | 3.47 | 0.20 |
| Expulsions | 0.00 | 0.00 | 0.00 | 0.00 | 0.08 | 0.00 |

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Bear River School provides a safe and clean environment for students, staff, and volunteers. We provide supervision for our students before, during, and after school. There are designated areas for student drop off and pick up. Bear River School is a closed campus. For security purposes, all visitors are required to sign in at the office while on school grounds and all volunteers are required to have Department of Justice clearance through fingerprinting.

The school safety committee meets to discuss safety on campus. The committee works with the vice-principal to develop scenarios so that staff can practice emergency procedures during faculty meetings. The district contracted with D-Prep to evaluate our emergency preparedness plan and identify strategies for improvement. D-Prep also provided staff training in the implementation of the safety plan. The School Safety Plan is updated yearly.

The campus is fully equipped with a video monitoring system to help monitor all outdoor areas. There is a live feed of the entry points in the school office.

Bear River holds monthly Fire Drills and at least 3 Lock-Down Drill yearly. The school works collaboratively with Wheatland Fire and Police Departments to coordinate emergency preparedness.

2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject | Average Class Size | Number of Classes with 1-22 Students | Number of Classes with 23-32 Students | Number of Classes with 33+ Students |
|-----------------------|--------------------------|---|--|--|

2020-21 Types of Services Funded

We use School Improvement funds to purchase supplies for elective courses, including horticulture, music, band, and foreign languages. Title I money is used for staff training, particularly for Curricular alignment to Common Core training and effective instruction support. School Improvement funds and state funds, which are designated for specific purposes, are used to purchase technology. We continually update our library with books that support our Accelerated Reader program.

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Bear River School and Wheatland School District are dedicated to the educational development of teachers and staff. Seven staff development minimum days are scheduled yearly, designed to enhance the educational experience of our students. During the minimum day release, staff evaluate student data to develop interventions, work with curricular maps, and meet with consultants to enhance instructional strategies. Teachers tackle the areas of Common Core curriculum, school safety, state testing demands, and emotional student needs to develop a program that looks to educate the whole student. In addition to these on campus opportunities, staff attends best practice conferences ranging in topics from 504 and special education implementation, military student support classes, as effective instructional practices.

Teachers are supported throughout the implementation process through a combination of peer led trainings and meetings, as well as administrative coaching. Performance data is evaluated often to ensure the continued growth of our programs and provide opportunities to address student needs through our continued professional development.

Wheatland School District - Bear River School 2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
