*This Special meeting is being held solely to respond to questions and concerns regarding Measure R. No other business will be discussed and no comment on any other topic will be considered.*

*The Board will meet in open session to discuss and take input from anyone interested in Measure R. Anyone other than Board members and District Administrators will have 30 minutes total for all interested parties or persons to comment or provide information, with the 30 minutes divided equally among those wishing to speak. Board discussion, if any, will take place for 30 minutes. Board members may ask questions of those who speak with time managed by the Board president. The board may extend these time limits in whole or in part by a majority vote that is not less than a quorum.*
