2. REPORTS AND COMMUNICATION

2.1 Superintendent Update – Craig Guensler

Superintendent Guensler thanked Mrs. Stinson's art class for decorating our office with their beautiful artwork. They did a great job!

Mr. Guensler reported that we have sent a lot of letters out over the last month regarding negative meal account balances. At one point there was over \$1000 owed to Bear River School for past due meal accounts. We have had some success with collecting this money. Mr. Guensler thanked the Kitchen Managers, Col Griego, Annette Goodley and Connie Walczak for helping with the collection process. We will continue to stay on top of this over the next few months.

The County Spelling Bee was a huge success for our District. Col Griego's daughter, Ysabella, took first place for the 4th through 6th grade group. Mathew Brockhoff took second place. Both students will be moving on to the State competition. In the 7th through 9th grade group, we will be sending Braydon Alder to the State competition. Nathan Gilmore is the alternate. Four students in the County can advance to the State competition. Three of them are from the Wheatland School District. Very proud!!

We have a glitch in the Aeries grading system. Some grades are not being calculated correctly for our middle school students. Our staff have been making corrections. Aeries is looking into the problem.

The Wrestling Tournament is this Saturday and will be held at Wheatland high School.

Mr. Guensler reminded the Board that tomorrow is the Bear River Reni Rally. They will be honoring the Board during the morning Rally.

The new bus has been ordered, however, we will not receive it until September.

Mr. Guensler reported that we have a larger than average number of 8th grade students that are not meeting the grade requirements to participate in the 8th grade promotion ceremony. Mr. Guensler stated that he has a spreadsheet from the Administrator's that shows how often and how many times they have contacted the families. Our Counselor is meeting with all of the students during lunch, but some are just not showing up for the meetings. Mr. Guensler said that he wants the Board to be aware of the situation in case they receive calls. It is unfortunate that some of these students and families are not accepting the additional help.

Northrop Gromman has offered our District a wonderful opportunity. They have offered us a grant that will pay for one of our teachers and one of our middle school students to attend the NASA Space Camp. It will be held at the end of July.
