2.1 Superintendent Update – Craig Guensler

- There was no superintendent update other than sharing that the student information system rollover was completed last night and there are 30 TK students enrolled at Wheatland Elementary. There are 16 currently enrolled for Lone Tree. Overall the rollover numbers look good. We'll probably need to add a teacher at Wheatland Elementary to take care of the TK numbers.

It will be Tuesday the 28th from 11:00 to 1:00. The kids have had Archery Camp this week with a lot of other camps coming up. Students can apply for a Youth Space Camp and she'll send more information about that. There's also a Leadership Camp for Teens. There's just a lot of really cool stuff going on. Board Member Crabb had a couple of questions. She wondered when the Westside Infrastructure Agreement expired. She also wondered if Craig or the City figured out the water pressure issues at Bear River and what to do to fix it. Craig said he emailed Jim at the City and he said his guys will get together with our guys. She has also noticed a lot of weeds in the front of Wheatland Elementary where they put in the landscape.
