- If you have not already done so and are a returning family from 2019/2020, please complete **Aeries Data Confirmation** (look for the Aeries logo on upper right) for your student(s) by **August 3**. Families who are new to our district as of 2020/2021 do need to enroll students in Aeries, but do not need to complete data confirmation.
- If you are not returning to the Wheatland School District please notify the school by email or phone call
- If you have not already done so, all families are asked to please complete the **EZMEAL** app for their family as soon as possible and please, before August 31. This is a great assistance to our schools for funding and can ultimately result in cost savings for your family.
- If you have not already done so, please complete the **TK-8th Grade Technology Survey** for each of your school age children by **August 3**. This is for Distance Learning and Home Based Independent Study. ***This is how we will know that you need a device checkout!***
- If you are electing to proceed with Distance Learning, you do not need to do anything beyond the data confirmation, as we will enroll your student in a class.
- If you are electing Home Based Independent Study (option 2) for your student, please complete and return this form by **August 3**, as Principals are forming classes now. **Independent Study Agreement**
- If you are a Lone Tree School/Wheatland Charter Academy parent and need a base access card, please complete and email the **Pass & ID Info Form** to Jacque Neal (jneal@wheatland.k12.ca.us) as soon as possible in order to be cleared and receive pass in time for material/tech distribution in August.

We appreciate your patience throughout this process. Our goal is to re-open school for onsite student attendance as soon as possible and as state/local guidelines and mandates allow.

Sincerely,

Craig M. Guensler
