## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (School Year 2018-19)**

Our school has been a three-time Title I Academic Achievement Award winner, a California Distinguished School and a three time California Honor Roll school. Our staff believes that our assessment scores and student progress are a due to collaboration with effective instructional strategies, program planning and sequencing in both language arts and math, Response to Intervention (RTI) academic programs, and our social/school skills supports in place for students. As a district, we adopt curriculum that is state adopted and standards-based. Computer -based programs are used to supplement curriculum. We hold student Renaissance rallies and recess activities to recognize student achievement with academics, attendance, and behavior elements that, together, help us to encourage and support the growth and success of the whole child.

Lone Tree welcomes parents and community volunteers on our campus. It is our goal to team with families to create the best educational environment possible for our students.

All four of Wheatland School District schools offer an ASES after school program. WSD's After School C.A.R.E. (Clubs, Academics, Recreation and Enrichment) Programs start on the first day of school and end on the last day of school, open Monday through Friday from the end of the school day until 6:00 PM. C.A.R.E. is open on minimum days at the early dismissal time and is closed on school holidays. After School C.A.R.E. offers cycles of intervention academic and enrichment (e.g. theme-based arts and crafts, STEM, and physical education activities) components. Students enrolled in the district and who are entering grades Transitional Kindergarten through 8 in the fall are eligible to participate. Furthermore, the After School Program sponsors a highly recognized Camp program (a full day program of at least 6 hrs), offering a summer activity option for district children.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Lone Tree School was built in 1948. In 2002, all roofs and heating, ventilating, and air-conditioning systems were replaced. In 2007, all electrical transformers were replaced and major electrical work was conducted under critical hardship funds. Projects for 2010–2011 included a parking lot renovation, further playground updates, replacement of all outdoor water fountains, installation of campus cabling for technology, overhaul of classroom electrical supply and sources, and a kitchen upgrade with flooring and equipment. New energy efficient lighting was added in 2014 to the entire campus to continue our progress towards an environmentally friendly campus. Lone Tree has a unique cafeteria mural which depicts the aircraft assigned to Beale Air Force Base. In 2016, we added an entry way mural for those coming into our driveway to further enhance our connectivity with our base location. In 2017, we began updating restroom lighting and restroom faucets. We also began a phased painting of the campus exterior. In 2018 we installed filtered water bottle filler stations in four locations on campus, continued exterior painting and continued mural painting on exterior building walls. We aim for our school to be clean, safe, and functional within the available resources. Our site has established cleaning standards. A summary of these standards is available through the site administrator. We give food service and restroom facilities the highest priority on a daily basis to ensure the health and safety of students and staff.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	46.0	52.0	47.0	48.0	48.0	50.0
<b>Mathematics (grades 3-8 and 11)</b>	40.0	38.0	38.0	40.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
<b>All Students</b>	169	163	96.45	52.15

Students with Disabilities	21	21	100.00	23.81

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

Students with Disabilities	21	21	100	19.05

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students

Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2017-18)**

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	14.0	19.3	43.9

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

**Opportunities for Parental Involvement (School Year 2018-19)**

Our school’s annual site plan, safe plan, English language acquisition plan and required site budget item approvals are made by our School Site Council, which always includes parent members. Our District English Language Advisory Committee is a collaborative opportunity to have input for school programs to support English Learners while encouraging family and student connectivity to school. We encourage parent attendance at back-to-school night, student progress conferences, music programs, fall carnival, and student Renaissance rallies. Our parents are active volunteers and we enjoy the positive support with parking lot and sidewalk to school monitors, classroom helpers, fund-raiser assistance, Jump Rope for Heart, field trip chaperones, and more. Classroom and campus volunteers are always welcome and needed. To find out how you can volunteer at our school, please contact Mrs. Jacklett, campus administrator, at (530)788-0248.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

<b>Expulsions</b>	0.0	0.0	0.0	0.1	0.1	0.1	0.1	0.1	0.1

### School Safety Plan (School Year 2018-19)

Our classrooms are open 15 minutes before school begins. We have a supervised breakfast program. Staff members monitor the parking lot immediately after dismissal. We have a closed campus, and all visitors must register with the office. We hold monthly fire/earthquake drills monthly and a minimum of three safety lockdown practices annually. Our safety plan is updated annually and we have worked with Rapid Responder, a county services program, and a military base liaison to coordinate the plan with outside agencies. All administrators completed a disaster safety course with DPREP in the past and conduct annual staff training at the site. We continue to work with Beale Air Force Base to practice and revise elements within our safety plan.

**Types of Services Funded (Fiscal Year 2017-18)**

Funds are expended to maintain our evolving student-success centered programs. Portions of the money are spent on staff training programs to help teachers transition into the digital classroom style of education. We also place classroom teaching assistants in lower grades and continue our Life Skills student support program. Dollars are spent to ensure student progress software upgrades, purchase library books for continual student use for Accelerated Reader and literary experiences, keep student-centered materials up to date and in ample supply, and maintain a media for school wide virtual field trips. Technology plays a vital role on our campus, and funds are continuously set aside for technology maintenance and upgrades. Classroom technology that incorporates student participation, such as document cameras and televisions for visual lessons, are in place. All 3rd through 5th grade classrooms are outfitted with one to one student tablets and all TK through 2nd grade classrooms are supplied with tablet centers and mobile carts for student use. Finally, Lone Tree supports incentive programs through our district-wide Renaissance program.

**Professional Development (Most Recent Three Years)**

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Lone Tree School and Wheatland School District are dedicated to the educational development of teachers and staff. Seven staff development minimum days are scheduled yearly, designed to enhance the educational experience of our students. Through after school workshops, staff evaluates student data to develop a continuing educational plan to meet the needs of the constantly changing student population. Teachers tackle the areas of Common Core curriculum, school safety, state testing demands, and look at social-emotional student needs to develop a program that looks to educate the whole student.

In addition to these on campus opportunities, staff attends best practice conferences ranging in topics from Common Core, classroom behavior support, student support services, special education law, military student support classes, as well as county developed trainings. The Lone Tree team works hard to not only collaborate with campus staff, but with the surrounding communities to develop a top notch program.

Teachers are supported throughout the implementation process through a combination of peer led trainings, trainings and meetings, as well as administrative observations. Data is evaluated often to ensure the continued growth of our programs and provide opportunities to address student needs through our continued professional development.
