## School Accountability Report Card

### Reported Using Data from the 2019-2020 School Year

#### Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

Our school has been a three-time Title I Academic Achievement Award winner, a California Distinguished School and a four time California Honor Roll school. Our staff believes that our assessment scores and student progress are due to collaboration with effective instructional strategies, program planning and sequencing in both language arts and math, Response to Intervention (RTI) academic programs and our social-emotional skill supports in place for students. As a district, we adopt curriculum that is state adopted and standards-based. Computer-based programs are used to supplement curriculum. We hold student Renaissance rallies and recess activities to recognize student achievement with academics, attendance and behavior elements that, together, help us to encourage and support the growth and success of the whole child. In March 2020, we transitioned our program into Distance Learning due to COVID-19. Working diligently with our district and health officials, we have a hybrid instructional schedule as we open 2020/2021, with readiness to transition as needed to Distance Learning and looking forward to return to 5 day instruction.

Lone Tree welcomes parents and community volunteers on our campus. It is part of our mission to team with families to create the best educational environment possible for our students.

All four of Wheatland School District schools offer an ASES after school program. WSD's After School C.A.R.E. (Clubs, Academics, Recreation and Enrichment) Programs start on the first day of school and end on the last day of school, open Monday through Friday from the end of the school day until 6:00 PM. C.A.R.E. is open on minimum days at the early dismissal time and is closed on school holidays. After School C.A.R.E. offers cycles of intervention academic and enrichment (e.g. theme-based arts and crafts, STEM, and physical education activities) components. Students enrolled in the district and who are entering grades Transitional Kindergarten through 8 in the fall are eligible to participate. Furthermore, the After School Program sponsors a highly recognized Camp program (a full day program of at least 6 hrs), offering a summer activity option for district children.

## School Facility Conditions and Planned Improvements

Lone Tree School was built in 1948. In 2002, all roofs and heating, ventilating, and air-conditioning systems were replaced. In 2007, all electrical transformers were replaced and major electrical work was conducted under critical hardship funds. Projects for 2010–2011 included a parking lot renovation, further playground updates, replacement of all outdoor water fountains, installation of campus cabling for technology, overhaul of classroom electrical supply and sources, and a kitchen upgrade with flooring and equipment. New energy efficient lighting was added in 2014 to the entire campus to continue our progress towards an environmentally friendly campus. Lone Tree has a unique cafeteria mural which depicts the aircraft assigned to Beale Air Force Base. In 2016, we added an entry way mural for those coming into our driveway to further enhance our connectivity with our base location. In 2017, we began updating restroom lighting and restroom faucets. We also began a phased painting of the campus exterior. In 2018 we installed filtered water bottle filler stations in four locations on campus, continued exterior painting and continued mural painting on exterior building walls. In 2019, we added another student art mural, updated the phone system district wide and updated audible horn systems for exterior campus notifications. As part of our 2020/2021 site improvements, we have updated our HVAC systems with ionizing devices and continue painting our buildings. We aim for our school to be clean, safe, and functional within the available resources. Our site has established cleaning standards. A summary of these standards is available through the site administrator. We give food service and restroom facilities the highest priority on a daily basis to ensure the health and safety of students and staff.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	52	N/A	51	N/A	50	N/A
Mathematics (grades 3-8 and 11)	33	N/A	40	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-2021)**

Our school’s annual site plan, safe plan, English language acquisition plan and required site budget item approvals are made by our School Site Council, which always includes parent members. Our District English Language Advisory Committee is a collaborative opportunity to have input for school programs to support English Learners while encouraging family and student connectivity to school. We encourage parent attendance at back-to-school night, student progress conferences, music programs, fall carnival, winter parent and student dance, spring art show and student Renaissance rallies. Our parents are active volunteers and we enjoy the positive support with parking lot and sidewalk to school monitors, classroom helpers, fund-raiser assistance, Jump Rope for Heart, field trip chaperones and more. Classroom and campus volunteers are always welcome and needed. To find out how you can volunteer at our school, please contact Mrs. Jacklett, campus administrator, at (530)788-0248.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.5	0.5	3.3	2.9	3.5	3.5
Expulsions	0.0	0.0	0.1	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	2		
Expulsions	0		

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### School Safety Plan (School Year 2020-2021)

Our classrooms are open 15 minutes before school begins. We have a supervised, district complimentary breakfast program. Staff members monitor the parking lot immediately after dismissal. We have a closed campus, and all visitors must register with the office. We hold monthly fire/earthquake drills monthly and a minimum of three safety lockdown practices annually. Our safety plan is updated annually and we have worked with Rapid Responder, a county services program, and a military base liaison to coordinate the plan with outside agencies. All administrators completed a disaster safety course with DPREP in the past and conduct annual staff training at the site. The site administrator attended ALICE training. We continue to work with Beale Air Force Base to practice and revise elements within our safety plan. When school closed for COVID-19 in March 2020, our food services program continued to serve meals for children in a socially distanced grab and go procedure.

## Types of Services Funded (Fiscal Year 2019-2020)

Funds are expended to maintain our evolving student-success centered programs. Portions of the money are spent on staff training programs to help teachers continue to grow and keep pace with digital classroom. We also place classroom teaching assistants in lower grades and continue our Life Skills student support program. Dollars are spent to ensure student progress software upgrades, purchase library books for continual student use for Accelerated Reader and literary experiences, keep student-centered materials up to date and in ample supply, and maintain a media for school wide virtual field trips. Technology plays a vital role on our campus, and funds are continuously set aside for technology maintenance and upgrades. Classroom technology that incorporates student participation, such as document cameras and televisions for visual lessons, are in place. All 3rd through 5th grade classrooms are outfitted with one to one student tablets and all TK through 2nd grade classrooms are supplied with tablet centers and mobile carts for student use. Social-emotional programs are in for the forefront of our school supports with expenditures befitting growth in this area, including the expansion of our school counseling program to include weekly classroom lessons for all students. Our music program evolved to include art lessons. Finally, Lone Tree supports incentive programs through our district-wide Renaissance program.

## Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement			

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Lone Tree School and Wheatland School District are dedicated to the educational development of teachers and staff. Seven staff development minimum days are scheduled yearly, designed to enhance the educational experience of our students. Through after school workshops, staff evaluates student data to develop a continuing educational plan to meet the needs of the constantly changing student population. Teachers tackle the areas of Common Core curriculum, school safety, state testing demands, technology updates and implementation and look at social-emotional student needs to develop a program that looks to educate the whole student.

In addition to these on campus opportunities, staff attends best practice conferences ranging in topics from Common Core, classroom behavior support, student support services, special education law, military student support classes, as well as county developed trainings. The Lone Tree team works hard to not only collaborate with campus staff, but with the surrounding communities to develop a top notch program.

Teachers are supported throughout the implementation process through a combination of peer led trainings, trainings and meetings, as well as administrative observations. Data is evaluated often to ensure the continued growth of our programs and provide opportunities to address student needs through our continued professional development. Our district nurse and site health aide train our staff for student medical needs and continue to assist staff with safety protocols for an overall prepared campus with regard to health safety measures. Further, instructional staff receives technology training to reimagine the content and presentation of Distance Learning and virtual learning opportunities with expanding their repertoire of platforms and resources for students.
