1.1 PLEDGE OF ALLEGIANCE

**2. COMMUNICATION FROM THE PUBLIC –
(on items not on the agenda)**

The Public may address the Board on any matter pertaining to the school district that is not on the agenda. Unless otherwise determined by the Board, **each person is limited to five (5) minutes**. If a large number wish to speak on a specific item, the Board may limit total input to twenty-five (25) minutes on any item. The Board is not allowed to take action on any item, which is not on the agenda except as authorized by Government Code Section 54954.2.

There was no communication from the public, but Board Member Crabb wanted to take a moment to express her gratitude for the work Superintendent Guensler has been putting into getting our students back to school safely. She has witnessed and heard his passion for bringing our kids and staff together in a safe manner. She knows how tirelessly he has worked on the waiver, the plans to reopen, the schedules, and the surveys. She feels grateful, to him, for his hard work and dedication.

**3.1 (A) APPROVE LEARNING CONTINUITY AND ATTENDANCE PLAN – Craig Guensler
LEARNING CONTINUITY AND ATTENDANCE PLAN**

This plan was brought before the board two weeks ago as a public notice for people to comment on. Superintendent Guensler did hear from a few people and he made some changes to the plan.

It was MSCU (Crabb-Waltz) to approve this Action Item

3.2 (I) WAIVER APPLICATION TO REOPEN TK – 5 CLASSES
WAIVER DRAFT

Superintendent Guensler started by telling everyone Yuba County is still in the highest level, purple (widespread) tier. We might hit red (substantial) by the middle of October and if that occurs, the waiver would not be needed. If we are in the red tier for two weeks, Districts can bring back all students, TK-12th.

Superintendent Guensler shared the waiver draft. It meets all the criteria. He believes the earliest start date could be October 19th, but only if we are able to get the waiver to Dr. Luu by next Friday. If the board approves the waiver, we will send it to YCOE for their input. If they do not suggest changes, the plan would be sent to Dr. Luu for her approval. If she has no questions, comments, suggestions, the waiver would be sent to the California Department of Public Health for their approval to reopen for our TK-5th grade classes.

Superintendent Guensler talked about the surveys that were conducted with staff and parents. The survey for staff is closed, but the survey for parents will be open through this Sunday at 5:00 p.m.
