**YOUR CALIFORNIA PERSONAL INCOME TAX MAY BE UNDERWITHHELD IF YOU DO NOT FILE THIS DE 4 FORM.**

***IF YOU RELY ON THE FEDERAL FORM W-4 FOR YOUR CALIFORNIA WITHHOLDING ALLOWANCES, YOUR CALIFORNIA STATE PERSONAL INCOME TAX MAY BE UNDERWITHHELD AND YOU MAY OWE MONEY AT THE END OF THE YEAR.***

**PURPOSE:** This certificate, DE 4, is for **California Personal Income Tax (PIT) withholding** purposes only. The DE 4 is used to compute the amount of taxes to be withheld from your wages, by your employer, to accurately reflect your state tax withholding obligation.

You should complete this form if either:

- (1) You claim a different marital status, number of regular allowances, or different additional dollar amount to be withheld for California PIT withholding than you claim for federal income tax withholding or,
- (2) You claim additional allowances for estimated deductions.

**THIS FORM WILL NOT CHANGE YOUR FEDERAL WITHHOLDING ALLOWANCES.**

The federal Form W-4 is applicable for California withholding purposes if you wish to claim the same marital status, number of regular allowances, and/or the same additional dollar amount to be withheld for state and federal purposes. However, federal tax brackets and withholding methods do not reflect state PIT withholding tables. **If you rely on the number of withholding**

**allowances you claim on your Form W-4 withholding allowance certificate for your state income tax withholding, you may be significantly underwithheld.** This is particularly true if your household income is derived from more than one source.

**CHECK YOUR WITHHOLDING:** After your Form W-4 and/or DE 4 takes effect, compare the state income tax withheld with your estimated total annual tax. For state withholding, use the worksheets on this form, and for federal withholding use the Internal Revenue Service (IRS) Publication 919 or federal withholding calculations.

**EXEMPTION FROM WITHHOLDING:** If you wish to claim exempt, complete the federal Form W-4. You may claim exempt from withholding California income tax if you did not owe any federal income tax last year and you do not expect to owe any federal income tax this year. The exemption automatically expires on February 15 of the next year. If you continue to qualify for the exempt filing status, a new Form W-4 designating EXEMPT must be submitted before February 15. If you are not having federal income tax withheld this year but expect to have a tax liability next year, the law requires you to give your employer a new Form W-4 by December 1.
