We Miss You All!!!!

Bark at WEL

New Bark at LT

Mr. Shaw's
class is
engaged!!!

These twins (Addisen and Parker Cole) have been integral in helping me set up my Google Classroom. I had their mom send me a pic of them working on it – Ms Selken

Mrs. Gouker organizing the Computer Pass Out at Bear River

Steenberg Family's New Addition

Tavin on a
zoom meeting
with the class

Autumn and
Austin fishing. It is
called "going on a
zoology Field trip"
😊

Mrs. Belding's Toothless Wonders

Karlie Zarges painting rocks

5 sense hunt/ Eating ice cream after reading "Should I share my ice cream? Lilly and Trent

Charlie Schmelz writing sentences in her pjs

Some pictures of the Heinberger boys learning how to stain wood as we work on building shelves for their

We did some
math/home
economics
making
homemade
banana

Student, JP Slaughter, built a volcano at home with his family. Shared with permission.

Working on States and Capitals

The Waltz Family using this time to enjoy life, play outside, read books, distance learn, zoom meetings and lots of cuddles!!!

April 1, 2020

Dear Mrs. Boardman,
 You are a good teacher.
 I like it when you teach math.
 You give us problems and
 call on us to answer.
 You are a nice teacher.

From
 Bode

April 1, 2020

Dear Mrs. Boardman,
 I hope you are well.
 I still get to see you
 I love you very much.
 My sister found a letter from
 I love you.

Love, Simon

April 2020

Dear Mrs. Boardman,
 You are a great teacher.
 Thank you for helping me
 I love you.
 So much. I miss you
 because I can't wait to
 see you in school. I
 still want to see you
 I love you. I miss you
 I love you.

From: Rami

4.1.20

Dear Mrs. Boardman,
 I like you because you help me
 and you are so sweet and helpful.

Love, Arie

Love flame

Here are a few letters from Ms. Appleton's students that encouraged them and made them smile this week.

Wheatland EI Virtual Fire Drill

1. Set an alarm for 2:00 today.
2. When your alarm sounds, go outside for 10 minutes.
3. Soak up the fresh air and the sunshine.

Wheatland El Virtual Fire Drill

Fire drill with Foodie & dog walk number 2

Wheatland El Virtual Fire Drill

Bus Driver Laura

This is Colton with a bear face he made, telling his teacher that he “misses her beary much!”

This is Arya planting and painting sunflowers! Beautiful work!

This is Aubrie proudly wearing their Wednesday school shirts!! Way to go!

This is McCoy proudly wearing their Wednesday school shirts!! Way to go!

This is Sebastian showing his teacher his great story that he wrote about Sonic

Look at Nancy's beautiful sunflower she drew for letter "S"

This is Chloe's new baby sister, Riley. Chloe still found some time to squeeze in her work...nice job Chloe!

This is a picture of Hunter doing homework with his new baby sister!

Been busy making face masks

Reagan doing gymnastics with her coach

Jaxson Boardman doing his Reading Comprehension

Kolton Boardman doing Math

Lone Tree 2nd Grade Team Meeting

I spy a cute little family enjoying this beautiful day and feeding the ducks on the Sacramento River

Here are the Merchant boys from Ms. Appleton's class doing Sami's Circuit for PE

Mrs. Crother's Class

Guest room is now distance learning hub, and tilling garden before the rain ☀️

Studying hard and playing hard!

Studying hard!

Kaiden is learning math, science, art and reading as she makes cookies

Kaiden and Luke's new classroom

Kaiden and Luke send out a thoughtful Happy Birthday to one of our students

Jase and Nicky with our 1st Zoom edition directed drawings!

Noah helping his siblings with a walking rainbow experiment

Emmalyn working on reading & comprehension on her Epic account.

Little kiddie burritos so I can jump online!

Syris made some puffy sidewalk paint.

Noah entertaining Quinn while mom gets some work done

Mattix and sister doing bubble art

Sailor creates a sunflower for the letter S and puts in order the lifecycle of a flower

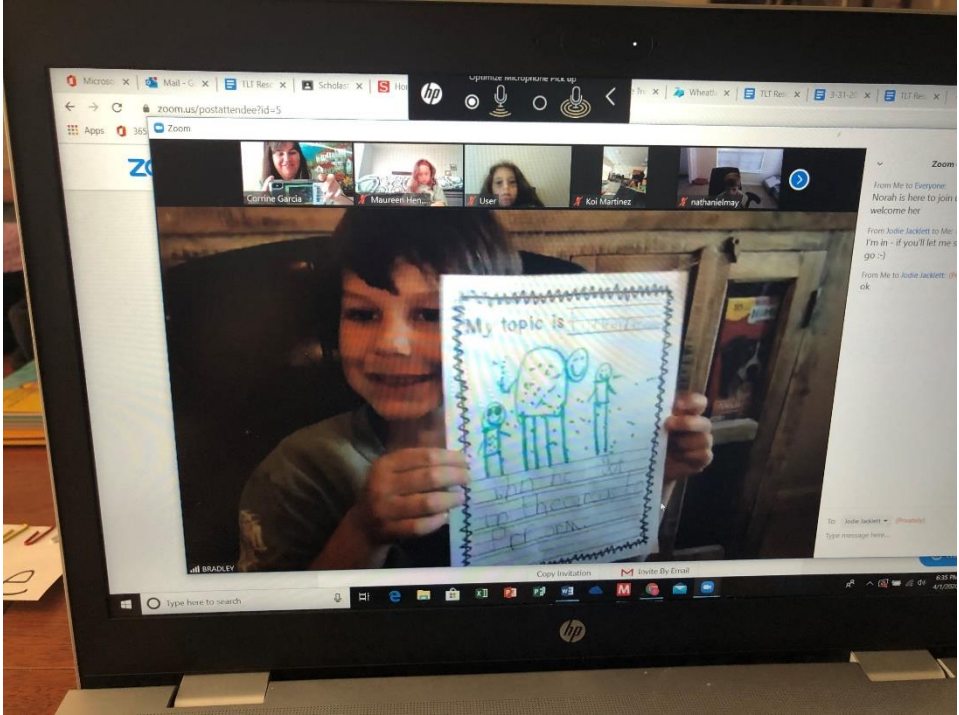

Learning the lifecycle of a butterfly kit

Kenny and Mackenzie create a homemade boat

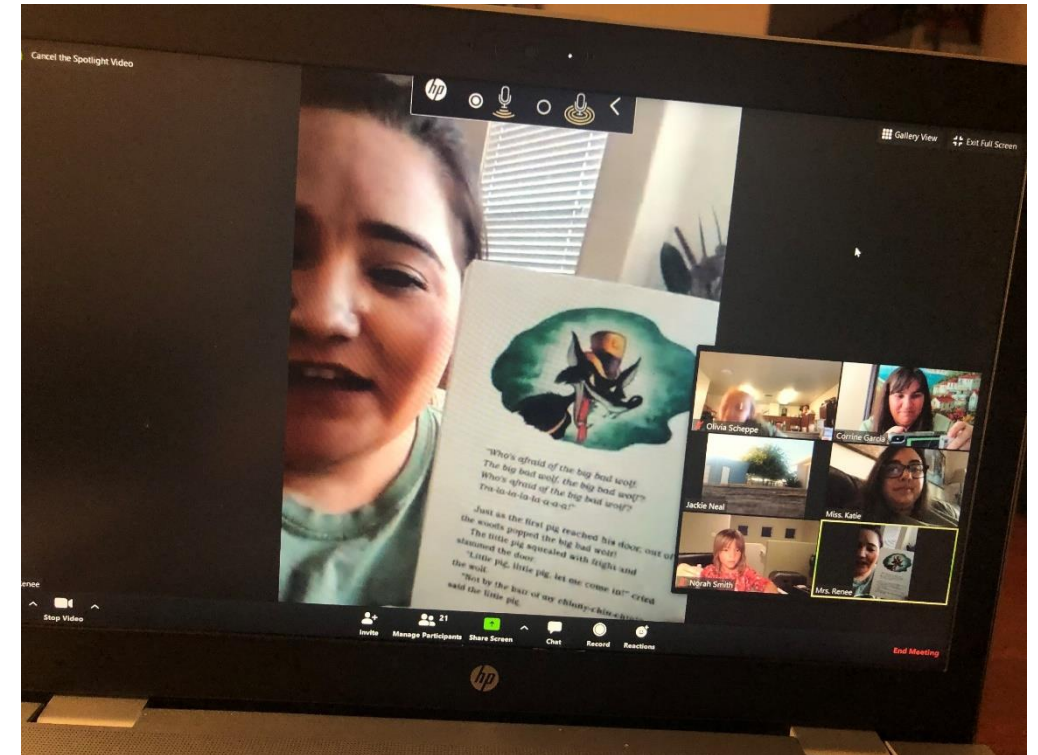

Kindergarten Book Reports via Zoom

ParaEducators Miss Katie & Miss Renee, and Norah whom moved to New Mexico in September was able to join us ;-)
she was so excited to see her 1st kinder classmates again.

Kindergarten Distant Learning from home

Mrs. Plant and The Plant Crew have been working hard at relaxing, school work, and game playing! We've enjoyed some nice bike rides with a view of the Sutter Buttes, too. ♡☐ A classroom set up away from school was minimal but necessary for me, made it feel a little like I was in the classroom. Miss those sweet Kinders so much.

LOTS of slime making, too!!!

PUZZLE TIME

PUZZLE COMPLETE

Hatching 4th grade chicks on zoom this week

everyone needs to do school work!

Mrs Anderson and the kids moved into our new house on April 2nd! This is our first night, we camped out in the living room :)
