

# YUBA-SUTTER

## *Resiliency Connection*

BUILDING COMMUNITY BY HEALING

A free community social network site to connect with local organizations and community members who are implementing or wanting to implement trauma-informed and resilience-building practices.

Prevent ACES

Heal trauma

Build resilience

## ABOUT US

We are dedicated to support and empower the residents of Yuba and Sutter communities by integrating trauma informed best practices to develop resilience and build stronger families and stronger communities. This inter-agency collaborative project of diverse members strives to better serve the needs for all children, families, and communities in order to heal and thrive.

## MEMBERS BENEFITS

- ✓ Connect with community to build resilience
- ✓ Share best practices
- ✓ County specific data and information
- ✓ Trauma informed trainings and webinars
- ✓ Trauma informed articles and resources
- ✓ Inspire and support each other to grow in the ACES movement
